President's Message

Dear Members:

With just four months left in the year, I hope everyone is having a great one. Business has increased for most across the state. That's good news for everyone. We should see an increase in business this Fall also. Keep a positive attitude and encourage everyone around you to re-educate themselves for this market. Take advantage of the PNN courses WCR has to offer. Go online to www.WCR.org for more info.

It has been a very special year for me as your President. I have had the opportunity to visit most of our local chapters. Everyone has been so welcoming and I look forward to visiting the remaining chapters by year's end. All the chapters are working hard to keep their members motivated and have exciting meetings scheduled for the rest of the year. Keep up the good work.

We have two upcoming events that I would like to see as many members at as possible. For the first time at midyear meetings in Rye we are having a WCR luncheon. Ask your local chapter president about that. The second event is the NAR Convention in New Orleans on the following page I've included information on all WCR Events.

I look forward to seeing you all at upcoming events. Have a great end of the year. Have healthy and Happy Holidays.

Catherine Favara, GRI, CRS
